Welcome to THAT'S FUNNY, the show that brings you a bunch of hidden camera stunts, funny home videos, jokes and laughs!

The comedy/reality video programming experts at Vin Di Bona keep things rolling with their new updated production called THAT'S FUNNY for station syndication. With clearance in approx. 50% of the U.S. market, this new 80 half-hour series is a worthy variation of the original series SHOW ME THE FUNNY that first aired on Fox Family Channel in the USA.

The phenomenally successful SHOW ME THE FUNNY captivated viewers in the U.S. and worldwide and has generated new demand for funny, easy to package comedy clip shows. Featuring yet again a package of reality comedy clips, funniest video clips and pranks, THAT'S FUNNY moves even better and is more content-oriented than ever before.
