People are used to reading post-cards and greeting cards. Now let them enjoy a real good laugh while screening these cards!!! Send an original DVD greeting card with hidden camera stunts and make every special occasion a visually hilarious entertainment moment.

Thematic greeting cards with a DVD containing hidden camera segments will take the greeting card publishing market by storm. Use our own designs, packaging and thematic DVDs with hidden camera delights or create and build your own DVD greeting cards. From our library of over 1000 clips, choose and create your own DVDs and combine them with any of the traditional greeting cards such as birthday, new baby, wedding, graduation, friendship thoughts, new home, thank you, get well, sympathy and support, missing you, etc.

Thematic DVD greeting cards offer a powerful added value that complements any message celebrating the moments that make life special!
