	MILITARY OBEDIENCE	

TO DISOBEY

ENGLISH	FRENCH
SPANISH	

They were a small minority of only one percent and **they dared to defy military authority** and discipline. They had the guts to disobey orders rather than be conscience-stricken with actions which could brand them as murderers, rapists or even as common criminals in their own eyes.

Meet soldiers whose moral principles, integrity and courage led them to follow the dictates of their private conscience against the demand of military obedience. Witness the stories of Camilo, Igal and others who were ready to face tremendous consequences for disobeying military orders.
