A one hour "Pinochet File" featuring one of the most controversial figures of the 20th century.

Relive the military regime led by the brutal Dictator and witness his role in the repression that gripped Chile from 1973 to 1990. IMAGES OF A DICTATORSHIP is a scathing tableau of military rule under the former Chilean Military leader General Pinochet that will engage the intellect of all viewers.

Pinochet tried it all - to seize power in 1973, to hold on to power, and to escape justice. Will there finally be justice for Pinochet: will he go to his grave still believing he is innocent?

The Pinochet saga continues to make headlines worldwide. Given Augusto Pinochet's age and frequent health problems, this award-winning documentary is essential viewing.
