ENGLISH FRENCH

A MAN FOR THE WHOLE WORLD is a beautiful documentary which highlights the achievements of the internationally renowned ecologist **Pierre Dansereau** considered one of the **2000** greatest intellectuals of the 20th century. His most important contribution is to bridge natural and human sciences by **applying natural ecological laws to rural and urban spaces**. Through highly sophisticated graphic designs and the interviews with Dansereau, the viewer will better understand the relationship between the environment and mankind and the future of the planet Earth. Meet with this outstanding and touching man and find out more about his visionary theories and practical applications.
