Kids from around the world curl up in front of the tube for Kitty Cats. This heart-warming puppet series follows the adventures of Tango, Charlie, Flap and Ricky, four cuddly kittens who sing and dance their way through life's daily lessons. Laugh along as the kittens make their way out of harmless mischief. Go on picnics with the kittens, make an imaginary rocket ship, find a treasure in the garden or uncover a phantom in the shed. Unravel the dilemmas of "being little", as the gang discovers how to cooperate, share with others, overcome fears and become trusted friends. Anyone who has ever lost a mitten or struggled to keep a secret will appreciate **how KITTY CATS resolves real-life difficulties with creativity and song.**
